INSURANCE INFORMATION, CONSENT OF PROFESSIONAL SERVICES AND RELEASE OF INFORMATION

Furthermore I understand that this office will prepare any necessary reports and forms to assist me in making collection from the insurance company and that any amount authorized to be paid directly to this office will be credited to my account on receipt. However, I clearly understand and agree that all services rendered to me are changed directly to me and that I am personally responsible for payment. I also understand if I suspend or terminate my care and treatment, any fees for professional services rendered to me will be immediately due and payable.

I hereby authorize the doctors and their affiliated providers to administer treatment, physical examination, X-ray studies, laboratory procedures, chiropractic care, physical therapy, or any clinic services that they deem necessary in my case; I do hereby give my consent for the performance of conservative non-surgical treatment, including, but not limited to manipulation, physical therapy modalities, soft tissue massage and therapeutic exercises. I am aware there are possible risks and complications associated with these procedures, ranging from soreness to stroke. I understand there is no certainty that I will achieve benefits and acknowledge that no guarantee has been made regarding the outcome of these procedures. I am aware there are alternatives to these procedures, including medication and/or surgery. In order to ensure that all of my healthcare providers function as a team, I hereby grant the providers and clinical staff of this clinic to communicate with and relay any information about my condition to my other healthcare providers. I further authorize them to disclose all or any part of my (patient's) record to any person or corporation which is or may be liable under a contract to the clinic or to the patient or a family member or employer of the patient for all or part of the clinic's charge, including, and not limited to hospital or medical services companies, insurance companies, workers compensation carriers, welfare funds, or the patient's employer. I understand that if an insurance company initially pays for my treatment and later requests reimbursement from this clinic for any reason, I will be responsible for payment of my entire outstanding balance.

We invite you to discuss any questions you might have with us. The best health services are based on a friendly mutually understood relationship.
